Renovated with an exceptional sense of style and sensitivity to its c1870 character, the warmth of this charming double fronted cottage's welcome is impossible to resist. A street presence of instantly engaging period personality is matched by the mood of this home's spaces, including a central living room where polished hardwood floors and plantation shutters enhance the elegance and illustrate the excellence. An open-plan kitchen equipped with stone bench-tops and soft closing drawers delivers user friendly efficiency adjacent to a light-filled dining area that reveals a gorgeous cottage garden through romantic French doors. In addition to its walk-in robe and ensuite, the bright main bedroom features its own French doors to the garden while two inviting further spacious bedrooms share a fabulous bathroom with a superb free-standing clawfoot bath. Attic storage, double glazing, two fire-places and the beauty of a renovation that leaves you with nothing left to do but move in and enjoy further distinguish this delightful Victorian, with off street parking, in a setting defined by its great sense of community and ideal proximity to shops, cafes, boutiques, bars and The Strand.
