6 Acres! 4 Bedroom house, 2 Bedroom granny flat, Solar Power, Tesla Powerwall System, Sparkling Pool, 3-Bay Shed. Discover the ultimate country retreat at 24 Annville Road in Jensen, where modern convenience meets serene acreage living. This expansive property spans over 6 acres and boasts a range of exceptional features that cater to both family comfort and sustainable living. The impressive family home stands as a testament to thoughtful design and modern updates. Elevated and spacious, this high-set house offers a remarkable layout. Upstairs, you'll find 4 generously sized bedrooms, all complete with built-in wardrobes. The master bedroom takes luxury to the next level with a vast walk-in wardrobe, split-system air-conditioning, an immaculate ensuite, and a private deck. The interior seamlessly flows from a massive family entertainment room to a spacious dining area and a contemporary kitchen boasting ample bench and cupboard space, a butler's pantry, and even the potential for a fifth bedroom. An internal staircase further enhances accessibility and convenience. The heart of this property is its commitment to sustainability. Equipped with solar power, solar hot water, and an advanced Tesla Powerwall System connected to a 6Kw solar panel array, you'll be able to bid farewell to soaring power bills while embracing an eco-friendly lifestyle. Stepping outdoors, you'll be greeted by tropical gardens that envelop a sprawling outdoor entertaining area. The owners have thoughtfully upgraded the outdoor kitchen and introduced an outdoor toilet for added convenience, ensuring that every gathering is nothing short of exceptional. The addition of a fully serviced 2-bedroom granny flat adds versatility and appeal to this property. With air-conditioning, wardrobes, a spacious kitchen, and a family bathroom, this separate living space is ideal for older children, out-of-town guests, or even as a lucrative rental option. Nestled beside the sparkling salt-water pool, the granny flat offers a balance between social connection and private retreat. For those with rural pursuits, this property comes fully equipped. Two separate paddocks behind the main house have been meticulously cleared and organized, creating a haven for cattle or horses. The property boasts 2 registered bores, providing a bountiful water source. The property also features mature tropical fruit trees, including mangoes, lychees, guava, soursop, star fruit, macadamia, and black and white sapote. Every acreage property needs a big shed and we've got a large 3 bay shed with a large concrete pad for storing all the toys. In addition to the 3-bay shed, there is also a 4 vehicles carport next to the house. There is also a solid chicken coop, pool house and storage sheds for equipment. Demand for large acreage properties within close proximity to urban conveniences has surged, and 24 Annville Road perfectly fulfills this demand. If you're seeking a harmonious blend of spacious living, sustainability, and natural beauty, seize the opportunity to call this slice of paradise home.
