Looking for a large family home that will deliver you six bedrooms and three living areas with inground pool, spacious deck and gorgeous Mt Dandenong view? Set in a bowl of court location on an expansive 937m² (approx.) wedge shaped block, this potential packed home has so much to offer, including the potential of building a second dwelling at rear with its own driveway access, subject to council approval. Renovators, tradies or anyone looking to put their own stamp on a home should inspect this partly renovated and extended home featuring six bedrooms, two bathrooms, lounge/dining with double sliding doors to deck overlooking sparkling inground pool with electric heat pump, kitchen with large walk in pantry and second living area opening to rear deck with outlook over expansive yard and stunning view. The home also features a 6.5kw solar panel system. The home also offers a third downstairs living area/rumpus with built in bar or alternatively could be ideal for teenage retreat or perhaps a workshop. The possibilities are endless in a family focused locale much admired for its proximity to Bimbadeen Pre-school, Rolling Hills Pre-school, Rolling Hills Primary, Mooroolbark College, Mooroolbark station and Chirnside Park Shopping Centre.
