Embrace the opportunity to own a beautifully renovated home, where every detail has been considered for immediate enjoyment. Perfectly situated in the desirable Scarborough area, this single-level treasure occupies a substantial 648m² flat parcel of land and exudes charm with its fresh enhancements including floating vinyl planks, plush new carpet, and a rejuvenating coat of fresh paint throughout, elevating its overall appeal and offering a serene and contemporary living environment. Crafted to suit a variety of lifestyles, from those of growing families to individuals seeking the convenience of downsized living without compromise, the residence features four spacious bedrooms. The master suite is a haven of tranquility, complete with a walk-in closet, an ensuite bathroom, and direct access to the patio for those blissful morning coffees or quiet evening retreats. A separate study amplifies the home's versatility, complementing the family areas that afford ample space for relaxation and personal reflection. Parking and storage solutions are abundant, thanks to a generous double carport. The innovative transformation of the original garage into additional living and storage space adds a layer of practicality, with the option to revert back to a locked garage available, preserving the flexibility of the home's design. At its heart, the residence boasts a meticulously updated open-plan kitchen, a vision of modern elegance with Hamptons-style white shaker cabinetry, exquisite 40mm Caesarstone countertops, and a standout island bench. Catering to the culinary enthusiast, the kitchen is well-appointed with top-tier gas and electric appliances, while the expansive servery window ensures seamless entertaining into the large patio area. Outdoor living is effortlessly catered for with a screened and private patio area, blending the comfort of the indoors with the freshness of outdoor living – a hallmark of the Bayside lifestyle. The strategic placement of an in-ground pool, complete with spa jets and visible from the family room, complements the expansive and privately screened backyard, inviting leisure and activities amidst a backdrop of lush foliage. Noteworthy enhancements include ducted air-conditioning and added security through electric roller screens on the front windows.
