Perfectly positioned in this private cul-de-sac is this beautifully presented rare home. With breathtaking lake views, the property offers the ultimate lifestyle with easy access to Steele Creek Trail, Keilor Road shopping and an excellent choice of public and private schools. Split across 3 levels with a side by side double garage on the ground floor, internal access to a large laundry, the entry as well as a good sized bedroom and large ensuite. Level one opens to an enormous entertainers kitchen with an extra-large island bench, quality European appliances including gas cooktop, stone benchtops and abundant storage options. Lake views are framed from the wall of windows of the generous living dining area flowing to the deep wide balcony, a perfect extension of living space. A discreet powder room completes the picture. The top floor offers a large master including ensuite and walk in robes. There are an additional two excellent bedrooms both with full width BIR's plus a family bathroom with separate bath and walk in shower. Individual reverse cycle airconditioning units service all bedrooms and the living area plus there is a secure and good sized rear yard. This beautifully presented home calls for your inspection.
