Light-Filled & Modernised Victorian, Envable Position

A picture of perfection, this captivating c1890 Victorian combines classic and contemporary in an elegant single-level environment, having moved from a nearby location to its current position in the curve of this revered cul-de-sac. Defined by light, comfort and the utmost convenience, it is introduced by its pretty iron lacework and tessellated verandah, with generously extended interiors.

Abundant natural light illuminates the interior beyond its enchanting block-fronted façade, where high ceilings flow through a formal lounge with gas fireplace, into a bay-windowed main bedroom with a WIR and a contemporary ensuite. The open-plan living/dining areas extend from the renovated kitchen and through twin sliding doors to a decked alfresco area amongst established and private, irrigated gardens.

Ideal for downsizers with minimal maintenance required, this picture-perfect offering also features a further 2 robed bedrooms, family bathroom and a large laundry, all of which can be closed off to give guests privacy. Ever so peaceful and private and just moments from the village, beaches and golf course, this beautiful abode has the benefit of ducted heating, split system AC, carport parking, low maintenance gardens and automatic front gates.
