UNDER CONTRACT This is an impressively sized family home that is rare to the market and will be snapped up in a flash...so if you're in the market you will need to be quick! Set on a large 816m² block situated in the suburb of Johnston you will be pleasantly surprised by how secluded it is being positioned on a quiet street and set back from the road a substantial distance. The home is an award winning design with large proportions not often seen in the Territory with a massive 280m² under roof. Featuring zonal living for a harmonious family balance it's been designed with a growing family in mind ensuring everyone has enough space to live harmoniously. On entering you're welcomed into the heart of the home to an oversized kitchen and dining area with lots of storage space, a wall oven, feature niche's and your very own butlers pantry! The kitchen overlooks the large family room that is set away from the secondary bedrooms to protect them from noise should their be a movie buff in the house. The children's zone features 3 king sized bedrooms with built in robes, and a completely separate rumpus room, a bathroom and an internal Laundry. Finally the parents retreat is hidden at the rear of the home ensuring they can escape to a quite place to rest should the need arise. With a fully fenced yard and side access for a boat or trailer, an in ground saltwater pool entertaining will be a breeze with oversized undercover patio area...what is not to love about this home? Freshly painted with nothing left to do other than move in and enjoy call us today to arrange a private inspection. Features: Master Bedroom with WIR & Ensuite 3 King sized secondary bedrooms with Built in Robes Study Nook Rumpus Room Family Room Large Kitchen with Butlers Pantry Dining room Internal Laundry Fully Fenced Solar Hot Water In ground Salt water Pool
