Presented to the market for the very first time in almost 70 years, this classic family home is essentially an immaculately maintained time capsule of character and charm. Flowing over one easy level, this quality property rests on 436sqm and offers a truly special opportunity. Enjoying a premier elevated position in one of Vacluse's best known streets, the home captures ocean glimpses. There is enormous potential to modernise throughout and expand the home to a second level, subject to council approval, these views would be expansive and stretch uninterrupted to the ocean horizon. With a generous open plan entertaining area that includes separate lounge and dining spaces, the main bedroom has mirrored built-ins. There is a huge original eat-in gas kitchen, as well as a sunny rear garden with pool. Additional features include air conditioning, high ceilings and a large double garage with ample off street parking. A short stroll to coastal parks and village cafes, this is a rare chance to possess a classic home in a prestigious dress circle location.
