One in a stunning beautiful collection of 3 "Inner City Chic" residences - is now available to a select few who want to call her home. Built with love in the early 1900's but renovated with lust within the last 6 months, your invitation has arrived and inspection day beckoning. The definition of "Pretty" comes directly to mind upon arrival, with a carefully applied but essential Hamptons colour palette, adorning the external and a classic façade. Complete with picket fence and sunny front veranda giving you enough to wet the appetite and venture further inside the property. Behind closed doors can often pose issues especially for those without imagination, however walking through the inside and seeing the reflection of this wonderful renovation, leaves nothing to be desired. This beautiful property offers up to potentially 3 bedrooms with high ceilings and character finishes like double hung windows at the front and 6-inch skirting boards framing the walls. A carpeted and cosy lounge with painted double brick wall is enough to allow you to relax then leads to the kitchen, again all new, with a clean modern feel and enough space for dining. To the rear we find a full deck, covered and private with views over the rear yard, don't worry, we have left the grass to grow on its own without intervention....."well we needed to leave something for you to complete"! Car accommodation is via the carport which has ease of access from the rear lane to a sunny back yard with ample room for the veggies or 4 legged friends. The 3 Sisters are beautifully positioned within a level 2-minute stroll into Maitland CBD, home to Fratelli Roma, The Levee, Art Gallery and more, much more for you to enjoy and explore!
