This fantastic family home offers so much for so little. Situated on a generous 640sqm block and backing onto a lovely open reserve you will enjoy time with family and friends sitting by the in ground pool located off the rear covered deck or under the second covered outdoor area. Storage of a boat or camper in the secure fully fenced back yard is easily accessed via the drive through garage. This blonde brick beauty offers loads of opportunity to add your own personal style with a popular floor plan. You will appreciate the two living areas, one with reverse cycle air conditioning, 4 bedrooms (all with built ins), main bathroom and a newly renovated ensuite. This is truly a home to be enjoyed and will suit the first home buyer with room to grow the family through to the retiree looking for a single level home with, in town convenience. This is definitely one to put on the list of inspections this weekend as it will not last long. If the open home times do not suit do not hesitate to call Rob Havasi on 0413 263655 to arrange your personal inspection
