This impressively designed, impeccably detailed family home conveys character and calibre that are more than matched by the convenience of its location. Appealing, period homestead inspired lines and a low-maintenance front garden introduce inviting spaces including a rear living/dining domain accompanied by the open-plan kitchen's island bench, ample storage and stainless steel appliances. Beyond, paved under-cover patio expanses make entertaining easy, enhanced by a garden backdrop with its own storage shed. Three double bedrooms that provide immediately appealing accommodation include a main bedroom featuring a walk-in robe and ensuite while the built-in robes and pleasing proportions of the two additional bedrooms add to the attraction. A central bathroom with a family friendly separate bath and shower and a separate laundry further enhance a floor-plan kept constantly comfortable by ducted heating and cooling throughout. Solar panels and a double garage, with the extra advantage of a rear single roll-a-door, complete this rewarding residence, desirably close to Malcolm Creek Linear Park and bike paths, the Mount Ridley College campus, Craigieburn Primary School, State swimming pool, Easy access to Hume Fwy, Highlands shopping and Highgate Recreation Reserve..
