The sellers of this unique property have decided it is time to let this one go, so they have now placed the property on the market to be sold. Recently renovated and re-roofed, and offering an attractive floor plan, this property will not disappoint. Situated in Coorumbong Close, enjoy a short stroll into the heart of Mooloolaba where you can dip your toes into the water at the patrolled beach, or indulge in the tapestry of restaurants and cafes available. This home has been cleverly designed and offers multiple living spaces, 4 bedrooms, a kids retreat and an open plan living and dining. The stylish modern kitchen opens out to the north, allowing you to gaze across the extensive rear garden and pandanus trees to the water. The new 14m pontoon and jetty is ideal to house the outdoor watercraft or to sit back calmly and enjoy a spot of fishing from your own back yard. The owners have made it clear they are selling. So, before you miss out, please contact Richard or Loren to book your private viewing.
