Once in a while there is a home that gives you the true "WOW" factor - this is one such home. As you approach the property you are immediately struck by the wide frontage, and the way the home sits proudly in the middle. Your eyes are also drawn to the exquisite landscaping, immediately giving you a feeling that what lies behind the front door is going to be something very special. When you enter, you get a feeling of warmth, tranquillity and peacefulness. The floorplan flows seamlessly from one end of the home to the other, the main focus being the large amount of windows in the lounge/dining/kitchen area, and the high ceilings that immediately draws your eyes to the stunning tranquil outdoor sanctuary, which overlooks the sparkling inground pool, making you think you are in a Balinese resort. Location is superb, a short drive takes you to Tin Can Bay, and a slightly longer drive takes you to Rainbow Beach. The Shopping Centre is just across the road, which includes Woolworths, Medical Practice, Pharmacy etc. Other features and benefits include:-* Caravan or Boat? No Problem! There is excellent side access suitable for both.* 3 x 6 shed ideal for a workshop or storage* Fully Fenced for your furbabies or children * Solar panels + a water tank saving you \$\$\$* A whopping 904m² of land!* 24.3sqm of luxury home* Opposite a reserve - no homes in front of you.* Freshly painted inside and outside.
