"My kids called this place home from primary school to high school and all throughout uni. It was our perfect family home. I'll miss the front courtyard the most where I would bask in the sun and relax with a book. This home truly made us feel safe and comfortable. With the updates we've done along the way, I know this home still has so much to offer to another family". - Owner- Three bedrooms, each featuring built-in robes with the main bedroom including a walk-in robe and ensuite- Two bathrooms, with the main showcasing modern floor-to-ceiling tiles, shower and bathtub- Neatly presented kitchen with ample storage space- Conveniently located to schools, parks, shops and transport- Sold off-market
