**\$780 PW - \$3390 PCM**

This transformed into a stunning abode, this four bedroom, two bathroom home embodies brilliant contemporary living. At the heart of the home, a gourmet kitchen/meals excels with highlights including pale stone countertops and splashbacks, a large island bench/table, induction cooktop and Barazza oven. At the rear, the generous family/dining welcomes in plentiful natural light, overlooking the private rear garden and benefitting from its bright, northerly aspect. Perfectly complemented by stylish outdoor spaces, the home nestles next to a big deck, matched by a paved entertaining area with electric louvres and manicured, landscaped gardens equipped with an irrigation system. Bedrooms, with BIRs/WIRs, are all well-proportioned. While the main bedroom features a chic ensuite with deep relaxing bath, there's also an elegant, centrally situated family bathroom. Tinted, double glazed windows, engineered European oak flooring, brushed nickel Phoenix tapware, custom cabinetry with Blum soft-close hinges, security features, heating/refrigerated cooling and a handy shed further impress, while an electric gate leads to abundant OSP, including a double garage. Close to trains, Edwardes Lake Park and schools, boasting a big block with exceptionally wide frontage, this gorgeous family favourite is only a short drive to shops and certain to impress.
