Introducing "Montauk House" – a sanctuary of unparalleled luxury and serenity, beckoning you to immerse yourself in an unforgettable retreat. This expansive residence, inspired by the allure of the Hamptons, features 6 meticulously crafted bedrooms with built-in wardrobes, offering abundant space for your loved ones. Among them, a magnificent Master Suite awaits, boasting a secluded ensuite & walk-in robe for added indulgence. Step through the doors and be enchanted by the refined Hamptons-inspired interiors, infusing each space with an air of timeless elegance. Complemented by a separate Guest House, providing seclusion and a distinct haven for larger families and groups. At the heart of the home lies the impeccably designed kitchen, adorned with shaker style cabinets and exquisite Carrara Marble countertops, awaiting your culinary adventures. Hosting gatherings is effortless with not one, but two dining areas – ideal for creating cherished memories with family and friends. With two distinct living areas, there's ample room for relaxation for all guests. Meanwhile, a dedicated kid's area ensures the little ones are enchanted and entertained throughout their stay. Outside, discover three inviting seating areas, including two lounges and a dining table for alfresco entertaining. Bask in the embrace of the sun or gather around the outdoor fire pit, enveloped by warmth and tranquillity as the stars twinkle above. Spanning two storeys, Montauk House offers both spaciousness and privacy, promising moments of utter tranquillity whether indoors or amidst the lush outdoors. And the luxury doesn't end there – with exclusive access to The Vintage Resort facilities, including a lap pool, tennis courts, and a gymnasium, all the indulgences of a resort are yours to enjoy within the comforts of your private holiday haven.
