Melanie Lawlor

The ultimate Immaculate Island residence

This stunning, immaculately maintained 6 bedroom, 3 bathroom home is a credit to its owners with beautifully manicured tropical gardens, lawns and established fruit trees.

With a seamless flow of open planned living and a connected vista from your kitchen window, the island life is ready and waiting for you to just be.

All encapsulated in your own fully fenced 607m² yard, you are minutes to the water taxi and shops; and close enough to launch your boat when the water calls.

Your island boatyard is ready and waiting for you to sit back and rejoice in the sea breezes, island time and endless walks to the Dunwich foreshore. Escape from the mainland yet have the ease of amenities at your doorstep. Featuring a picturesque dual layout that showcases 2 kitchens, with the upper level kitchen securing a seamless connection to outdoor living with bifold windows that ensure you are part of the Pacific sea breezes.

The home's dual plan layout features 3 bedrooms and 1 bath downstairs whilst upstairs showcases the other 3 bedrooms and 2 bathrooms. The master provides a private retreat with its spacious ensuite and spacious walk in wardrobe.

Perfectly suited for either a young family or teenage family (when you both want to keep an eye on them and escape them at the same time).

Built in 2008, this stunning home commands attention with the spacious, entertaining decks showcasing meticulous feature timber handrails and custom-built joinery that offer an effortless flow to outdoor living and the gardens.

With the custom designed nature of the home, it also celebrates a connection to sustainability with 6kw solar panels and water tank.

It's not very often that such a faultless home (with its 6 bedrooms and 3 bathrooms dual plan lifestyle) is offered to the market.
