Welcome to this massive family home! Situated on a generous 629 square meter block, this spacious home boasts five bedrooms and two bathrooms, providing ample space for comfortable living. One of the standout features of this property is the presence of 3.7 watts solar panels. Not only does this environmentally friendly feature reduce your carbon footprint, but it also helps to lower energy costs, making this home more sustainable and cost-effective in the long run. The interior of the house is thoughtfully designed, with a practical layout. The five bedrooms provide plenty of space for a growing family, accommodating everyone's needs. The two bathrooms ensure convenience and privacy, allowing for comfortable daily routines. This property is conveniently located close to all amenities, ensuring that you have easy access to schools, shopping centres, restaurants, and public transport. With its spacious block size, there is ample room to create your dream outdoor oasis. The large backyard offers the perfect canvas for personalization, including the potential for a swimming pool. In summary, this property offers a spacious five-bedroom, two-bathroom home on a 629 square meter block. The presence of 3.7 watts solar panels ensures energy efficiency and cost savings. The alfresco and double lock-up garage add convenience and aesthetic appeal. Its close proximity to amenities makes daily life effortless, and the ample space allows for the potential addition of a pool. Don't miss the opportunity to make this property your own!
