Highlights:- An incomparable feeling of space and light due to the modern coastal styling and soaring ceilings, with plenty of options across 2 levels and 3 lounge spaces to seamlessly spread out or come together. - Australian indoor/outdoor living at its finest, with the showcase living and dining zone flowing straight onto the over-sized alfresco and tiered lawns, expertly taking advantage of the perfect North East aspect.- Magazine-cover kitchen with incredible subway tiling all the way up to the 2.8m high ceiling, designer lighting selection, tonal floating shelving, window splashback bringing natural light and greenery to the cooking zone, chef's stove, full walk-in pantry, and stylish central breakfast bar with unique single waterfall stone benchtop. We especially love the savvy design of locating the sink near the stove to keep the breakfast bar chic and beautiful. - Five generously sized bedrooms with the 5th located on the ground floor entry.
