Immaculately presented and conveniently located this large family home is "move in ready" and is sure to impress. Featuring 3 double bedrooms with built-in robes for the kids and a master bedroom with walk-in robes and full ensuite. There are 2 separate living areas and central kitchen which has a walk-in pantry and overlooks the open plan meals and family areas. A glass sliding door leads from the meals area out to the substantial alfresco area which is just perfect for entertaining or just relaxing with a morning cuppa. The versatile floor plan has 2 bedrooms at one end which share a family bathroom and the master bedroom and nursery/study at the other so everyone can spread out when required and then come together at family time. Another great feature of this home is the 4 car lock-up garage which has a roller door at the rear to allow for access into the back yard. Other features such as gas ducted heating, split system air-conditioning, full length front veranda, water tank, new carpet and fresh paint through-out all make this home extremely livable ready for its new owners. All this within walking distance to The Gateway shopping centre, Primary and Secondary schools, Langwarrin hotel and easy access to major arterials. Inspect by appointment or as advertised.
