Great family home

A modern home consisting of stone bench tops in the kitchen, spacious open plan living and dining area plus two extra study/activity area for the kids, plus reverse cycle A/C through out.

The kitchen overlooks the living and dining area with 900mm cook top. It offers over head cupboards for extra storage, stainless steel appliances and also a dishwasher nook ready for a new dishwasher.

The master suite is located at the front of the home with a walk in robe and en-suite. The minor bedrooms are all of good size and come with built in robes and offer great separation from the front of the home. A activity/office space allow for multiple zones and extra space for the family to sprawl out. The outdoor Alfresco area boasts a raised deck area which adds another zone of entertaining for those summer BBQs.
