Get back to nature in this exquisite pavilion style residence set amongst gorgeous acreage on Tasmania's pristine coastline where you can take in stunning ocean views across native gardens accompanied by the sounds of local birdlife. As you pull into the property, you will feel as though you have entered a luxurious eco-retreat with a sense of serenity and tranquil bushland spread over 9 acres. Head inside to the main living area which has an incredibly grand feel with dramatically high ceilings and an abundant supply of natural light. The modern industrial style kitchen is open to the lounge area where you can take in ocean views while you warm up by the wood fire. Unique in design, the dining area is almost entirely encased in glass allowing you to feel fully immersed in the outdoors while you enjoy meals with family and friends. When you are ready to head outside, what better way to relax and unwind than by sitting back on the deck and gazing at nature's beauty while the kids play in the glorious swimming pool under dome lights. Afterwards, you can take a ten minute stroll along the cliff to Spring Beach and watch the sunset by the ocean. With five spacious bedrooms, home office, kids retreat, separate guest bedroom, and three bathrooms, there is plenty of space for everyone. Elevated circular windows throughout the property frame living artworks with glimpses into the surrounding trees and birdlife. Multiple pavilions allow flexibility of use while the master pavilion is truly a dream come true with a cathedral ceiling, private deck, fireplace, ensuite bathroom, second bedroom, and a loft overlooking the pool. This is paradise! Located only 3.5km from the town of Orford with shops and cafes, and minutes from the majestic Spring Beach, the property is also close to Maria Island, less than an hour from the airport, and just over an hour from Hobart's CBD. Exceptional lifestyle appeal combined with unparalleled luxury in this picturesque oasis must be seen to be believed.
