Ignore the superficial aspects that scream 'renovation!' Dive beneath and embrace the vibrant bones of this three-bedroom home that waits, patiently, for its chance to shine again. There's an undeniable appeal in the challenge presented here; a test of creativity, a journey that takes you from the concept to reality. Roll up your sleeves, take the helm, and sculpt this structure into the masterpiece it was always meant to be. You are not just buying a home in need of care and fuss; you're digging into an adventure to gut and start anew, crafting a home that's purely... you! Beyond the endless potentials of the interior, take your dreams outside with the big blank canvas backyard that dominates the expansive allotment. Craft an enviable garden, install an entertaining oasis or create a medley of both. This expanse is your playground to cultivate and your landscape to transform. Perched majestically upon an elevated landscape, the home greets you with captivating vistas – and being west facing you can digest the day's happenings with a soothing sunset. The location too is a boon with a plethora of schooling options within walking distance as well as proximity to parklands, shopping centres and public transport. This property is not just a project – it's an opportunity, a pathway to bring your vision to reality, a chance to breathe new life into each brick and blade of grass. It yearns for the master touch of those who cherish the thrill of transformation, appreciating quality and opportunity, and with a generous 1099m² block, you may also wish to explore the development potential (STCA).
