Jessika Bassett

\$470,000

Situated on the popular Mercorella Circuit is this beautiful three bedroom, 2 bathroom home with solar power which will sure to please everyone. Close to schools and shops and just a short trip into town, this property wont last long. Stepping inside you are met with the spacious living area that is tiled throughout, large windows, ceiling fans, split system air-conditioning and gas heating. The large open-plan kitchen is complete with ample cupboard space, two-door dishwasher, gas cook-top and electric oven. The dining room offers extra room with the generous size breakfast bar for entertaining family and friends. The master bedroom is across from the kitchen and is spacious with ceiling fans, split system air-conditioning and built-in wardrobes and the ensuite has a large vanity, toilet and shower. The second and third bedroom are located off the living room which are carpeted, built-in wardrobes, ceiling fans and split-system air-conditioning. The main bathroom has a separate bath and shower with a good sized vanity, while the toilet is separate and adjacent to the rooms. The laundry is next to the separate toilet and has access to the paved backyard where there is abundance of room for your family and friends to gather around. The back yard is low maintenance and has two access points to the large undercover entertaining area and with an above-ground spa, you are sure to please everyone. There is a small garden shed for storing gardening equipment and tools. A high secured fence that separates the yard to the carport that allows your furry pets or children to be safe and secured.
