'This spacious 4 bedroom brick veneer home is situated on an easily maintained corner block. There is a large living area with a reverse cycle split system catering for heating and cooling. A well appointed electric kitchen has ample cupboard space leading off the living area. The four bedrooms are ample sized, two with full length built-in wardrobes and dresser inserts with mirrors. The bathroom contains a bath, separate shower and vanity and adjoins a separate toilet. The laundry is functional and very roomy. A ramp leads off a glassed in back verandah to the yard.
