This property is so special this is the first time it's been offered to the market. It has been a much-loved family home since it was first built in 1987. This North-facing property is situated in a prime location, just minutes away from Hastings Street, which is known for its world-famous Noosa Main Beach and upscale cafes and restaurants. It also offers proximity to the Noosa River, providing a picturesque riverside living experience. The house boasts five spacious bedrooms and two bathrooms, making it suitable for large families or visiting guests. Two separate living spaces, office/studio, very workable kitchen, powder room downstairs and plenty of room for a pool. The bi-fold doors open out to the grassed area and the magnificent water views creating a seamless indoor/outdoor living experience. This property is situated perfectly to watch the sunset over the water with a glass of champagne, for pure leisure and enjoyment. There is an option to take the Noosa River Ferry from the end of the street to explore the estuary and visit the Noosa Marina, which hosts Sunday markets. This adds to the appeal of the location.
