If you're looking for a property that offers versatility, potential for renovation, and a location free from flood risks, then look no further. This well-appointed three-bedroom plus office home is situated on a spacious block with a fully fenced yard, fruit trees, and convenient side access. Stepping inside, you'll immediately notice the spaciousness and functionality of this home. The generous three bedrooms provide ample room for the family or guests, while the included office offers a dedicated space for work or study. Should you require an additional bedroom, the layout of this property allows for easy conversion of the second living room into a 4th bedroom. Flexibility is the key, allowing you to adapt the space to suit your specific requirements. The property boasts a spacious eat-in kitchen, perfect for those who love to cook and entertain. With plenty of room for a dining table, mealtime will be a breeze. The kitchen's functionality makes it a hub for bonding with family and friends. A carport ensures convenient parking, protecting your vehicles from the elements. Additionally, the wooden single-bay shed provides extra storage space or potential for a workshop, allowing you to pursue your hobbies or projects. The large block of land surrounding the home offers endless possibilities for outdoor activities. Fully fenced, it provides a secure space for children and pets to play. The presence of mature fruit trees adds both beauty and practicality to the yard, providing homegrown produce for your enjoyment. Whether you're a first-time homebuyer looking to put your stamp on a property or an experienced renovator seeking a new project, this home offers great potential for customisation. The new roof provides peace of mind and is a real bonus. The possibilities with this property are limited only by your imagination. Don't miss out on this chance to own a property that combines functionality, potential, and a flood-free location - the perfect combination for a bright future.
