This 2007 built brick and colourbond home really does tick all the boxes, located on a 845m² block. Walk in to a formal lounge with reverse cycle air conditioning opposite a well sized main bedroom with walk in robe and well fitted ensuite. In addition to this there are three other bedrooms located in a separate wing each with walk in or built in robes. The rest of the living space is nicely central with the spacious kitchen adjoining the meals area and family room. Reverse cycle air conditioning and sliding door access to the patio and back yard. Located next the additional three bedrooms is the bathroom, laundry and separate toilet, all of which are tiled. A well fenced enclosed back yard with a garden shed, however there is good provision for access should you wish to install a large shed. Currently there is access to the back yard via the double carport. New carpets have just been installed in the formal lounge and all the bedrooms, never been lived in!! A new gas cooktop has also been installed and not yet used. This home is a fantastic opportunity to secure a quality family home with the potential to take it even further!! Don't miss out, we don't expect this one to last long!!
