Indulging the growing family with a perfect balance of indoor and outdoor space, this subtly updated 4-bedroom, 2-lounge home provides the perfect canvas for modern living while offering the limitless potential for a modern and inviting sanctuary. A revived frontage with easy-care gardens and a widened driveway accentuates the appealing classicism of its heritagestyle facade, opening into a well-zoned dual-lounge layout perfect for easy living. The formal lounge stretches into an open family, dining and kitchen space, before transitioning to a covered deck and a large yard perfect for the pets and kids to run freely. Laminate counters grace the functional kitchen and its quality appliances, making everyday meals a breeze while ensuring last-minute entertaining is always well catered for. The main bedroom features a walk-in robe and ensuite, with three additional bedrooms zoned away from social noise around a family bathroom, toilet and laundry. Positioned moments from Carrum Downs Secondary and Sandhurst Club, it comes complete with a triple-lock security door, split-system air conditioning, ducted heating, ceiling fans, two rainwater tanks, a storage shed and a double garage with convenient through access.
