Showcasing family values and versatility, this beautiful family home is filled with an abundance of natural light. Designed for indoor and outdoor living, the spacious living/dining area opens to a deck ideal for entertaining while boasting many engaging features including a modern kitchen with granite benchtops and stainless-steel appliances including an Asko Oven, Induction cooktop, Range hood and a Miele dishwasher. Comprising a magnificent floor plan this residence is perfect for working from home with a generous study and adjoining library, reception or separate living area. Featuring oak floorboards and neutral colour palette throughout, there is plenty of space for multi-faceted lifestyles of a modern family. The master suite has a walk-in robe and en suite and the two further bedrooms share a family bathroom. A double remote garage, garden shed, beautifully landscaped and fully fenced gardens, programmable hydronic heating, state of the art ducted refrigerated cooling as well as reverse cycle heating and plenty of storage are among other inclusions. A short walk to Benton's Square Shopping Centre, this property is in a sought-after area close to parks, Benton Junior College and Main Street
