Introducing, a very rare offering, positioned in a sought after location on the south side of town. This custom home, built by well reputable local builder, Kent Anderson, is built to the highest standard with upgrades all throughout the home. The living room features raked ceiling, plenty of natural light and an open layout with a large kitchen satisfying to any lover of cooking. Throughout the home there is so much cabinetry and storage, all the windows are double glazed and the home is insulated with premium insulation. Very inviting from the moment you come into the home with high ceilings, timber floor boards and quality fittings. The oversized garage has two remote roller doors, providing plenty of room and easy access. Down the side of the home there is a carport that could also be utilised as an entertaining area. If you are looking for large shedding, you have found the jackpot. There are two garages (13 x 11m and 6 x 4.4m), both with great access and the larger one has got 3 roller doors all with high clearance perfect to fit the caravan. The large shed also features a hoist, a mezzanine, plenty of shelving and a fully self contained unit. A complete package to please any particular buyer.
