This contemporary style home is located in a sought-after location and has been designed with the modern family in mind. Quality is assured in this four bedroom home with a spacious and flexible layout which offers multiple living spaces to ensure a home that grows with you and your family. The kitchen is positioned in the 'heart' of the home and overlooks the large dining and living space. Directly off the living area are large glass doors that open to create a seamless connection with the covered entertainment area which overlooks the 'near new' in-ground pool. The outside area is a good size and is an entertainers dream overlooking not only the beautifully designed classic style pool but also the tree tops from the parklands providing a beautiful tree lined backdrop. The media room is perfect for movie night and the separate 'activities room' which is positioned between the children's rooms, is perfect for a toy or study area for the kids. The activities/rumpus room can be closed off from the rest of the home and some could call this area the 'kids wing' of the home. - Family friendly location- No rear neighbours- Solar - Four separate living spaces - Master with a long walk in robe and ensuite with separate toilet area - Kitchen overlooks the pool and offers a walk-in pantry- Sliding glass doors from the open plan living and dining room to the undercover entertainment area - Media room and separate activity room allows plenty of space for every member of the family - Good sized study at the front of the home - Carpet in bedrooms and media room - Tiled living areas- Air conditioned, ceiling fans - Internal laundry with ample storage space- Storage areas throughout home - Security screens and locks on all windows and doors - Access from the double garage to the home- Fully fenced 807 sq.m block with no rear neighbours - Walking distance to parklands and playgrounds *Property does need an internal paint
