This stylish brick/block home was probably built in the 1920's and has stood the test of time very well. The home features 2 double bedrooms, a sleep out, an office, functional kitchen with electric stove, separate dining room with a wood heater and a ref A/C, lounge room and a quite good bathroom. The laundry has been upgraded and it has a separate second toilet. The back yard is well fenced and has a carport, another carport with a shade cloth roof, a garden shed, a wood shed and a rain water tank. It is currently rented for \$180pw on a periodic bases so we need at least 48 hours notice of any inspections.
