If you want a big family home with a large living area plus a huge downstairs rumpus room or teenagers' retreat with a bathroom then you need to see this conveniently located property. The house would also be ideal for someone who wants to work from home or operate a home-based business from the large downstairs space without interrupting family life upstairs. While the two levels can be kept separate, internal stairs make it easy to move between the two levels if you want to use the downstairs area for kids to have their own space. The rooms downstairs are ideal for kids to entertain themselves and still be under the same roof as the adults. Located minutes from the CBD, Mt Pleasant shopping centre, North Mackay High, Fitzgerald and other schools, a pool and the beautiful Gooseponds, this property is all about space, convenience and indoor-outdoor lifestyle. Set on a 736sq m block, there is a massive deck over-looking the in-ground pool and large fully fenced yard. There is parking for several cars and a drive-through option can easily be created to make use of the ample space for a big shed that would fit easily in the backyard. With polished floorboards throughout, some of the other features of this air-conditioned property include:-

- Extra-large open-plan family room that includes separate living and dining spaces-
- Living area flows out to the deck, which is perfect for out-door dining-
- Big kitchen with gas stove and dishwasher-
- Three huge bedrooms upstairs, all with built-in wardrobes, air-conditioners and fans. The main bedroom is super-sized and has a walk-in wardrobe-
- Large upstairs bathroom with double basin-
- Downstairs there is a huge space that is fully enclosed and has a spacious open area that could be a rumpus room or used for a home-based business-
- There are also two rooms, one air-conditioned room with built-in wardrobes, and a bathroom

With lots of space inside and out, this property provides everything a big family needs. You are a couple of minutes from Mt Pleasant shopping centre, lots of schools, the Mt P Tavern and a short drive to the CBD and the airport. Give David Fisher a call to arrange an inspection.
