In a super quiet, no through area is this great brick veneer home with a beautiful inground saltwater pool! The home is very warm and friendly and my sellers are reluctantly offering for someone new to love after a change in their circumstance. Some of the great features of this property are: * 4 bedrooms all with built in robes, with master bedroom having ensuite and walk-in robe* Open plan kitchen / dining / living area has large split system air conditioner* Galley style kitchen with electric oven and cooktop* Just a 700m walk to the beach at Toogoom to enjoy the kilometres of sand* Double garage featuring remote opening door and internal access* Solar power system (6.6kw panels with 5kw inverter)* Outdoor entertaining area attached to the house, plus seperate gazebo* Established gardens including raised garden beds and fruit trees and a rain water tank* Short walk to the local convenience store and pharmacy Toogoom, which means 'Place of Rest', is a quiet seaside suburb of Hervey Bay approximately 15 minutes drive to the CBD from this property. The 7 kilometres of beach here are perfect for a swim, fish or paddle when the tide is in or long sand flats to explore when the tide goes out. We enjoy a lovely climate year round and live an enviable laid back lifestyle.
