Welcome to 24 Skinner Crescent – where coastal living meets family comfort in a great quiet location. Using its layout to capture easy-living with plenty of room to grow and enjoy as a family – 24 Skinner Crescent should be on your list to inspect. The front of the home is gated, allowing for privacy and extra secure parking in addition to the double lock up garage at the front of the home. Moving through to the entrance, the property opens straight on to the inground pool area complete with built in barbeque. Once inside you will find 3 bedrooms, 2 large living areas, kitchen and family bathroom downstairs. The downstairs area makes for fantastic day-to-day living allowing for plenty of space to enjoy. Upstairs you will find a parents retreat complete with large living space off the extra-large master bedroom. There is also a fantastic sunroom situated off the living space to sit, relax and enjoy the beautiful sea breezes and views. Inside the king-sized master suite there is a walk-in robe, plus great sized ensuite with spa. Situated on an easily maintained, private block in a fantastic and central location this family home is ready for its new owners to enjoy. Close to the Marina, Boat Club and Urangan Central shops plus local schools and sporting fields, you will love your new Urangan lifestyle.
