That's right!! Catch your own barramundi in one of the 3 dams on this 34-acre property. 8 acres are fenced and inside the fenced yard is a 20m x 21m open bay shed, 2 rainwater tanks and established fruit trees with an irrigation supply. There is a toilet and shower and the semi council approved shed has 3 phase power and water. An elevated building pad has been completed that looks over the large yard, trees and dams. Build your new home or turn a section of the 20 x 21m shed into your shed house (STCA). There is a sealed road to the corner of the property and school bus route.
