Super opportunity here to get in on the ground floor with this brick home offering some nice little bonuses. Set on a very generous size block and within walking distance to shops, schools and sporting ovals this property has two large bedrooms, central bathroom, updated kitchen and gas heated lounge. There is a good scattering of citrus trees throughout the backyard, carport, bungalow, lock up workshop/shed and a laundry that needs to be seen to believe. Yes, it certainly does need a lick of paint, some floorcoverings and maybe window furnishing but the "bones" seem good, so with a bit of old fashioned hard work you could turn this into a really great first home with everything close by.
