Located on a 605.1 sqm corner block looking south to Green Island and Ulladulla headland this expansive home would suit a family who likes to accommodate and entertain the extended family and friends. Enjoy the coastal lifestyle and the many beaches and lakes the area has to offer along with an abundance of nature's wildlife. At two cafes/ general stores at Bendalong and Cunjurong Point which are walking distance from the property or only minutes by car. Spread over four levels, the house has enough room so everyone can enjoy their own space if needed. On the top floor the two carpeted bedrooms have built ins and ceiling fans along with its own bathroom. The next level down has spectacular views done the coast from the combined lounge, dining and kitchen area which has a walk in pantry and modern conveniences. A master bedroom looking south over the water, with walk in robe and ensuite is on the floor also. The third level has a bedroom/ study, reading nook and rear entry along with an internal laundry and fourth toilet. At ground level is a large third bathroom and internal entry from the double garage with remote door / workshop. Over many years the home owners have used the externally accessed room at the rear, with a courtyard and kitchenette, as a space to enjoy entertaining.
