Experience a distinctive opportunity to reside amongst parks, the city and the harbour. Situated by the waterfront, 24 Wattle Road is your chance to secure a property in Melbourne's prestigious garden neighbourhood living. On offer is a contemporary three bedroom property spanning three levels; showcasing a modern design, coupled with sustainable features including plenty of natural light access via skylights in bathrooms. Each of the three large bedrooms are serviced by its own bathroom. The second level is entirely dedicated to a timber-floored spacious living and dining area, including a balcony with spectacular views, perfect for entertaining. Included, but definitely not limited to, the following :- Modern kitchen with stainless steel appliances- Heating and cooling- Ample under stairs storage- Double remote car tandem garage- Built in Robes in bedrooms All this situated in the heart of New Quay, surrounded by restaurants, public transport, schools and shopping precincts. Don't miss your chance to secure a fantastic property in a premium location.** The information presented in this advertisement is intended for general informational purposes only.
