Positioned on two separate titles totalling almost 1,900m², this symmetrical cottage offers a great opportunity for the keen renovator to take advantage of the low price point with plenty of transformation potential. The home is very much in original condition and in need of some attention. Comprising of 3 generous sized bedrooms, central lounge room, followed by the kitchen area, bathroom & laundry. Externally the property offers an established garden with various tree's & shrubs, green house and ample shedding. Alternatively the double allotment could lend itself to redevelopment utilising the double frontage & making use of the two separate titles. Contact Nick for further details. RLA 110
