Located within a wonderful tree-lined street, this gently elevated allotment of 863 sqm* with a generous frontage 18.3 M* offers unlimited options. Potential to further develop into townhouses or build your dream home (subject to planning approval). Home to a much loved, double fronted brick residence, the design offers three bedrooms, light filled lounge that adjoins a Kitchen/dining room, that overlooks the expansive yard. A separate family bathroom completes the design. Hardwood floors, decorative cornice reflective of a by gone era. Encompassed by a mature garden setting. The home is beautifully positioned in Berwick Northside, midway between the Berwick Village, and Wilson Botanic Gardens. A short stroll to High Street, Parkland, and public transport. This property offers enviable appeal in a private enclave with the utmost convenience.*Approximately
