It's hard to beat these waterside views, especially at night. Marina Tower gives you spectacular viewing of the Harbour, Yarra River, Bolte Bridge and Southern Star, with floor to roof windows to maximise that incredible panorama across Melbourne's Docklands. Premium Miele kitchen appliances and a dining area provide a cooking corner in the open plan setting, with the cityscape views stretching from the living room to the bedroom and the central balcony. The bathroom features a generous shower, toilet, mini vanity and shaving cabinet mirror for all your toiletries. The building also adds plenty of lifestyle with its own swimming pool so you can wake up or wind down with a swim. Docklands restaurants and cafes are on your doorstep, you can walk to all the city attractions including Marvel Stadium, Hoyts Cinema, Crown Casino and the impressive universities, parks, bars and theatres to discover why Melbourne has been dubbed the cultural capital of Australia.
