\$400,000 - \$440,000

The house features two bedrooms, providing ample space for a small family or for those looking to downsize. The open kitchen, living, and dining area create a spacious and inviting atmosphere, perfect for entertaining guests or enjoying family meals. The modern bathroom is cosy and sure to impress. The central heating ensures comfort throughout the year, keeping the house warm during the colder months. The split system adds to the comfort of the house, allowing for easy temperature control. The property is equipped with ample solar panels, offering potential energy savings and reducing the environmental impact. This feature is not only beneficial for the occupants but also adds value to the property. A single car garage and a small workshop provide extra storage space or a place for hobbies. The contained front yard with a garden adds to the curb appeal of the property, creating a welcoming entrance. The contained rear yard offers impeccable views to the walking track, providing a peaceful and picturesque setting. Don't miss the chance to call this property your Home.
