Real Country Charm Rural Renovator

Absolute charmer, sadly illness forces sale on this fantastically located rural property. Just off the M1 highway approx 45 minutes Brisbane. Four huge bedrooms and ensuite, large family room with fireplace, lounge seperate dining and rumpus area. The wood grained kitchen is ideal for cooking up a storm. Great outdoor living space with brick Bar-B-Que and inground pool. Colourbond Garage and very large rural shed with four solid timber horse stables built in. Verandah right across the front, the bones are all there.

This 2 acre (8000m²) property ticks every box for the tree changer wanting the convenience of having it all near-by. Less than a kilometre from Coles, Bunnings and all the shops. There is a downside though. The property needs some work. New carpets, paint and a bit of loving. The upside is left to your imagination.
