The Gisborne is a compact and affordable design, perfect for singles and new families with its 3 bedroom layout, 2 bathrooms and open plan living/dining. In the kitchen, you've got an island bench, 900mm Westinghouse appliances, plus easy access from the garage which makes those food shop days easier. The main bedroom is at the back of the home, while the minor bedrooms are towards the front of the main hallway - meaning you can put the kids to bed and continue to entertain with ease. \*Easystart Homes, a part of Summit Homes Group, is a family-owned builder in WA for 45+ years. 2-time WA Project Builder of the Year (2021 and 2022) by Master Builder Housing Excellence Awards and 3-time WA Professional Major Builder by the Housing Industry Association (2022, 2021 and 2020).
