Modern Low-set Family Home in Convenient Location!

Set in a convenient location with a host of desirable features, whether it's your first home, an addition to your investment portfolio or a great alternative to downsize without compromise, put this property on your shortlist.

This home boasts three large bedrooms (master with a two-way bathroom and WIR) complete with wardrobes, ducted air conditions, and ceiling fans. Neutral colours combined with ample natural light and open plan living create a comfortable environment.

Spilling out from the inside of the home is the large undercover entertainment area on a level 770 m2 block.

Great future investment in a flood-free position within 5 minutes' drive to Mount Ommaney Shopping centre, schools, parkland and public transport this home offers the ideal location and is sure to impress the savviest of buyers in today's market.

All the practical elements are covered with a separate laundry, multiple living areas, bathroom and separate toilet.
