Maiden Gully's reputation is built on big homes on big blocks with sheds and pool's. Indulge your passion -or your profession - at this luxury property, which has been fully developed for a big life of relaxation, entertainment and all the tinkering you can imagine. Everything here is oversized, starting with a 2185m² block beside a tree-lined walking path in beautiful Maiden Gully. The home is huge, with space for the whole family to enjoy and grow with, thanks to four bedrooms, three living zones, and extensive outdoor living along with the added bonus of 7.5kw solar. The shedding deserves an early mention and will likely seal the deal for the home handyperson, professional tradesperson or car collector. There is 47m² of shedding and 89m² of carport. The sheds include three-phase power, a car hoist, extensive built-in shelving and a mezzanine floor. There is ample space for eight vehicles, plus caravans, trailers, boats, etc, plus spacious concrete areas for easy parking and manoeuvring. Now let's take a look at the home, which features a host of timeless, high-style upgrades to enjoy for years to come, including warm honey-toned timber floors, high ceilings and a designer kitchen. The bedrooms include a front master suite with ceiling fan, walk-in-robe and ensuite with over-sized shower and vanity. The further three bedrooms have built-in-ropes and are situated in their own wing along with the family bathroom. You're spoilt for choice with living rooms, which consist of a quiet front lounge, a big rear rumpus, and an open-plan zone in between. That gorgeous kitchen includes an under-bench oven, gas cooktop and dishwasher. There are stone benches, a cool blue glass splashback, wide pot drawers and feature pendant lights. You'll love the big walk-in pantry. Enjoy the indoor/outdoor lifestyle all year round thanks to the semi-enclosed outdoor room, with timber deck, open fireplace, and twin French doors. Beyond this space is a second alfresco area and a high pergola with built-in barbecue. The spaces will be well used come summer holidays, thanks to the in-ground pool besides, with shade sail overhead and paving beside. The large block still allows lots of space for the kids to play, and is fully landscaped with established deciduous trees which are putting on their autumn show. Sparrowhawk Road is at the gateway to Maiden Gully, and less than 6km from the heart of Bendigo. The property is a total surprise package, and a pleasure to inspect.
