This is Luxury off grid living at its finest. Perched at the foothills of the Range sits this large council approved homestead with break taking views of the QLD border and Richmond Range. The homestead features a stunning open plan kitchen and living area that follows out to large verandahs. The Property is set on 15 acres of easy to maintain farm land with a mix of clear and treed country. This tranquil property has well over 100,000 litres of water storage and is fenced into two paddocks. The property features frost free ridges which gives it the ability to grow fruit and veggies all year round. The property boasts a seperate guesthouse/ studio with its own private amenities. Located just 15 minutes to the township of Tabulam and under 50 minutes to both Casino and Tenterfield. 247 is the peaceful tree change you have been looking for with everything you need to live off grid. Extras: - Large brick garage - 3 large bedroom - butlers pantry - fully off grid solar system with 150 amp inter and a large 7.5kw back up generator - Starlink Unlimited internet - Phone reception - Out of ground swimming pool - fruit trees This property offers so much and it not going to last long To book a private inspection Call us today!
