\$420,000

A Renovated Circa 1910's-1920's double brick and iron roof home with rear lane access in Central Temora. Currently leased at \$330 per week, this house would make the perfect investment property or first home! The property features 3 double bedrooms, the master room hosting the original mantel and bay window with an enclosed sleepout, a spacious living area with reverse cycle air conditioning, a large woodfire and a ceiling fan for year round comfort. There is a rear lobby area which would be ideal for storage, a home office or a rumpus area for the kids to have their own space. The updated kitchen includes ILVE stainless steel gas cooktop with an electric oven, dishwasher and an abundance of cupboard space. The bathroom has also been updated comprising a bath, separate shower recess, vanity and toilet. The property also feature a new entertainment area and a new external laundry comprising of washtub, bench and plenty of storage. Other features include a functional outhouse, a garage/workshop, rear lane access, new front fence, new paint and flooring throughout the property with day/night blinds and ceiling fans throughout.
